Sponsorship Opportunities

Work with us as a Sponsor

Position your business as a leading force within the region by working with us as a sponsor.

All of our sponsorship opportunities are designed to work around and support your marketing objectives. Used in the right way, sponsorship can clearly help to define and focus your messages in association with the Expo and Chamber.

Sponsorship of this event will allow your organisation to cement new business relationships through a mix of formal conference/seminar sessions and informal networking opportunities.

To secure your place call a member of the Expo team on 01524 381331 or speak to Mr Expo for more information at mrexpo@lancaster-chamber.org.uk or 07387 783795

Why Exhibit?

The North Lancashire Expo offers exhibitors a unique opportunity

A chance to meet North Lancashire's most diverse gathering of business owners, decision makers and entrepreneurs. It targets high-achieving companies from all sectors and from all sections of the community.

As a business-to-business and business-to-consumer event, the Expo enables exhibitors to engage with customers who are attending with the specific intention of making new contacts.

There are many excellent business reasons to take a stand at the North Lancashire Expo:

 **Cost-effective**
An affordable way of engaging with new customers

 **Time-efficient**
Meet hundreds of interested businesses in just two days

 **Productive**
A great opportunity to network with potential clients, suppliers, partners and investors

 **Targeted**
Tightly focused on the North Lancashire business community

 **Popular**
Over 5,000 visitors expected at a well-known, easily accessible venue

Why Attend?

The Expo is organised by the Lancaster & District Chamber of Commerce

We are celebrating our 120th birthday by doing what we do best, promoting business across our beautiful district. The Expo is going to be two day extravaganza, a B2B and B2C trade exhibition featuring stands, seminars, networking opportunities and free business advice from a host of organisations, set to attract 200 exhibitors and 5,000 attendees over the two days.

Sunday is to showcase North Lancashire, and surrounds, businesses and educational facilities to families and non-commercial visitors and the day's events will be aimed at them. It will give our businesses a chance to specifically speak to future customers and employees regarding education, employment and commercial requirements.

The Monday will then be purely B2B and the day will start with an exhibitor to exhibitor networking session followed by key seminars and workshops focused on business.

We know we have a special district in terms of our whole offer and we want to showcase it far and wide.

The North Lancashire Expo provides an affordable, cost-effective marketing platform for any organisation that wants to increase its profile amongst a diverse assembly of enterprises. The two-day event focuses the attention of business owners, senior managers, entrepreneurs and investors, and engages people from all sections of the community.
